

How to create a new Joint or Family membership

1. First register your own details – you should see this screen:

2. Add the details of the second person in the family.
3. Select **Individual membership** for each person in turn. Select your own name and **Add** to see the membership categories.

- Choose **Individual membership**, check the **communication options** and click **Finish** at the bottom of the screen.

- Select the second person in the family**, chose **Individual membership**, check the **communication options** and click **Finish** at the bottom of the screen.
- The checkout has worked out the discounted **Joint (see below) or Family membership price**. If you choose to pay by **Direct Debit** there will be a further reduction for the first year's payment.
