a) Roll call and appointment of tellers:

At the request of the Chair, the Company Secretary appointed Jane Anderson and Helen Gestwicki.

b) The approval of the minutes of the previous AGM and of any subsequent EGM:

The meeting unanimously approved the resolution.

c) The receipt of such reports as the Board may consider appropriate to bring before the AGM for approval or information:

The Chair referred to the Annual Report published in the August edition of Scottish Mountaineer magazine and on the Mountaineering Scotland website.

d) The receipt of the annual accounts and reports:

The Treasurer presented the financial report and referred to extracts from the Financial Statements. She said 2017-18 had been a successful year for Mountaineering Scotland with a

surplus of £42,070 and reserves of £219k. Future commitments included the continuing employment of a full time Access and Conservation Officer and also investment to renovate the office.

As well as membership subscriptions and donations, external funding has been gratefully received from a number of other organisations which has supported the activities of the company. Particular thanks to were noted to sportscotland, British Mountaineering Council, Scottish Mountaineering Trust Mountain Training Scotland, and The Munro Society.

Graeme Morrison (Ferranti MC) welcomed the availability of the investment agreement with sportscotland on the website and hoped that the influence of sportscotland was limited to those areas receiving direct investment. He asked whether the board were satisfied that there is a distinction between activities funded through membership subscription and those funded by sportscotland.

MW confirmed that the board were satisfied that the financial monitoring procedures were robust and the allocation of external funding could be tracked back to specific activities. JC also added that the majority of the funding from sportscotland was from the national lottery and not from the Scottish Government budget.

e) The fixing of members' annual subscriptions:

The Chair introduced the motion to motion to add £2 to the membership subscriptions for all individual and club membership categories to incorporate personal accident insurance into the membership package. This would apply from 1 April 2019.

Stuart Younie (CEO and Company Secretary) explained the voting process which had been discussed and agreed with the Company's legal advisors Harper MacLeod prior to the AGM. Clubs wishing to split the allocation of their block votes were asked to record these on the forms provided and hand them to one of the appointed tellers at the beginning of the voting process. Votes would then be taken for and against the motion starting with individual votes and then club block votes in ascending order. These votes would then be added to the proxy votes submitted prior to the meeting to provide the final results.

Following the vote, the results were declared as 254 votes for and 351 votes against the motion.

f) The election of the President, Treasurer and Board members:

Under Article of Association 6.5, and in the absence of competing nominations, there were 8 directors eligible to serve and continue until the 2019 AGM without the need for a vote: President: Mike Watson; Treasurer Jennifer Cardno; Directors: Jonathan Binny, Steve Gough, David Montieth Jo Dytch, Kat Jones and Avril Gall. None were challenged and all will continue until the 2019 AGM.

Due to the resignation of Chris Todd as Director for Access & Conservation, one vacancy was available for which two members were nominated:

- Ron Neville – nominated by the Board of Mountaineering Scotland
- David Gibson – nominated by Alex Winter on behalf of The Grampian Club

The Chair invited both candidates to deliver a short presentation to the floor outlining their relevant experience in relation to the position and how they could support the work of Mountaineering Scotland.

Following the vote, the results were declared as 276 votes for Ron Neville and 199 votes for David Gibson. Ron Neville was duly appointed to the position of Director for Access and Conservation.

g) The consideration of and taking of decisions on any duly notified proposals for the adoption of any new policies or the amendment or revocation of any existing policies:

There was no business tabled under this item.

h) Any other competent business:

There was no business tabled under this item.
